“Thank you Dan, for being so FABULOUS at updating! I have NEVER worked with any Lender that sends “report cards” on files, and I LOVE it! (Which, might I add, has been a lot of Lenders that I have worked with!) That says a lot and I appreciate you taking the time to do so! Believe you me, it was our PLEASURE to have you on board with our team to see this transaction to closing! The greatest success to closing any transaction is “communications” and you were the VERY best I have worked with! You knew ahead of time what it took to meet conditions, prepared and drew all necessary documentations needed for processing of loan, etc and kept all on board right away! It was truly amazing each day I received updates from you, it made for a very stress free process for this transaction! It was so nice to see the communications come from you and know there was no stress involved in the file because I knew I could count on you! For that, again, I cannot say enough about how extraordinary it was to have the pleasure working with you! Thank you Dan!”

“Dan, thank you for the generous gift card to the Outback. You really didn't have to do all that as we feel we owe you for all you did for us. I didn't realize how stressful buying and selling a house could be, but you really took a lot of the stress off of us. We appreciate your knowledge, confidence and always being there to answer our questions. At the end when the stress was getting to me, I know I asked you the same questions over and over again yet you answered them as though it was the first time I had asked. I really appreciate that! We feel very blessed how things have worked out. We had an agent that found us our dream home and a mortgage advisor that made it all happen! We really can't thank you enough Dan.”
